Reading at Clifton!

Reading at Clifton has always been a huge priority for us. We are all

passionate readers here—but we thought we could do a few things to make it even more special and exciting! So what's new I hear you ask?

Firstly, meet our Year 6 Reading Ambassadors who read with our year 2 children every morning—listening to the younger children read!

Next, we have Hot Chocolate Friday.

Each Friday several keen readers are selected to go and discuss their book with members of the Senior Leadership Team whilst enjoying a

delicious hot chocolate and biscuit.

WOW!!!! School has also purchased LOTS of new reading books for all our children. These reading books will go out on a specific day in KS1&2 and will need to be read by the same day the following week where they will change them. We cannot stress how important it is for you to hear your child reading these books. These books are specifically chosen to develop your child's reading ability and comprehension. Signing the reading record allows us to see that your child has been heard reading. Additionally, children will also be able to select a 'reading for pleasure' book from the class libraries. They will select from a wide range of fiction and non-fiction books selected for them by the Salford Library Service and the class teacher.

BUT YES, THERE IS MORE.... To broaden our opportunities to share our love of reading in Reception and Nursery we welcome back Ted's Travels!! Every Friday Ted will set off with a child and his reading book and go and have an adventure which will then be shared with the others in the class.

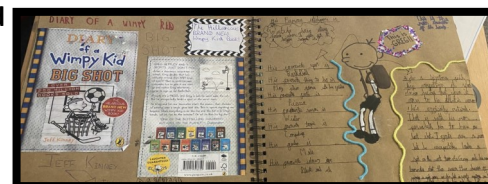

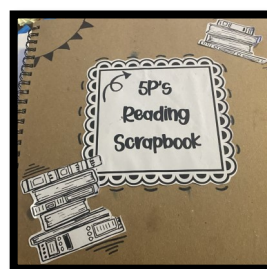

In KS1 Reading with Teddy will be introduced and we are hoping to get some fabulous pictures of the children reading to Teddy!

The more exciting a location the better!

In KS2 each child will be given the opportunity to contribute to the class reading scrap book—which will have a log of any book the children in that class would recommend—see below for a picture.

As author Jeanette Winterson said, **'Teach a child to read, keep a child reading and we will change everything, and I mean everything.'**

Lets get reading!!! Have a lovely weekend. L.M.Jones
