Scope of the Policy

This policy applies to all members of the school community (including staff, students/pupils, volunteers, parents/carers, visitors, community users) who have access to and are users of school ICT systems and mobile technologies, both in and out of school.

Roles and Responsibilities

The following section outlines the roles and responsibilities for e-safety of individuals and groups within the school

Governors:

- Governors are responsible for the approval of the E-Safety Policy and for reviewing the effectiveness of the policy.

Headteacher and Senior Leaders:

- The Headteacher is responsible for ensuring the safety (including e-safety) of members of the school community
- The Headteacher and another member of the Senior Leadership Team/Senior Management Team should be aware of the procedures to be followed in the event of a serious e-safety allegation being made against a member of staff

E-Safety Coordinator/Officer:

- leads the e-safety committee and/or cross-school initiative on e-safety
- takes day to day responsibility for e-safety issues and has a leading role in establishing and reviewing the school e-safety policies/documents
- ensures that all staff are aware of the procedures that need to be followed in the event of an e-safety incident taking place.
- provides training and advice for staff
- receives reports of e-safety incidents and creates a log of incidents to inform future e-safety developments
- reports regularly to Senior Leadership Team

Network Manager / Technical staff:

Tahir Khan (MGL Technician) responsible for ensuring:

- that the school's ICT infrastructure is secure and is not open to misuse or malicious attack

- that the school meets the e-safety technical requirements outlined in the Salford City Council Security Policy and Acceptable Usage Policy and any relevant Local Authority E-Safety Policy and guidance
- that users may only access the school's networks through a properly enforced password protection policy

Teaching and Support Staff

are responsible for ensuring that:

- they have an up to date awareness of e-safety matters and of the current school e-safety policy and practices
- they have read, understood and signed the school Staff Acceptable Use Policy/Agreement (AUP)
- they report any suspected misuse or problem to the *Head teacher and the ICT Co-ordinator* for investigation/action/sanction

Designated person for child protection/Child Protection Officer

should be trained in e-safety issues and be aware of the potential for serious child Protection issues to arise from:

- sharing of personal data
- access to illegal/inappropriate materials
- inappropriate on-line contact with adults/strangers
- potential or actual incidents of grooming
- cyber-bullying

E-Safety Committee

Members of the E-safety Committee will assist the E-Safety Coordinator/Officer with:

- the production, review and monitoring of the school e-safety policy.

Students/pupils:

- are responsible for using the school ICT systems and mobile technologies in accordance with the Student / Pupil Acceptable Use Policy, which they will be expected to sign before being given access to school systems
- need to understand the importance of reporting abuse, misuse or access to inappropriate materials and know how to do so

Parents/Carers

The school will take every opportunity to help parents understand these issues through parents' evenings, newsletters, letters, website/Learning Platform and information about national/local e-safety campaigns/literature. Parents and carers will be responsible for:

- endorsing (by signature) the Student/Pupil Acceptable Use Policy
- accessing the school ICT systems or Learning Platform in accordance with the school Acceptable Use Policy.

Community Users

Community Users who access school ICT systems or Learning Platform as part of the Extended School provision will be expected to sign a Community User Acceptable Use Policy (AUP) before being provided with access to school systems.

E-Safety Education and Training

Education – students / pupils

E-Safety education will be provided in the following ways:

- A planned e-safety programme will be provided as part of ICT/PHSE/other lessons and will be regularly revisited – this will cover both the use of ICT and new technologies in and outside school
- Key e-safety messages will be reinforced as part of a planned programme of assemblies and tutorial/pastoral activities
- Students/pupils will be taught in all lessons to be critically aware of the materials/content they access on-line and be guided to validate the accuracy of information

Education & Training – Staff

It is essential that all staff receive e-safety training and understand their responsibilities, as outlined in this policy. Training will be offered as follows:

- *A planned programme of formal e-safety training will be made available to staff. An audit of the e-safety training needs of all staff will be carried out regularly. It is expected that some staff will identify e-safety as a training need within the performance management process.*
- *All new staff will receive e-safety training as part of their induction programme, ensuring that they fully understand the school e-safety policy and Acceptable Use Policies*

Communication devices and methods

The following table shows the school's policy on the use of communication devices and methods.

Where it is indicated that the method or device is allowed at certain times, these are clearly outlined in the next table.

Good practice guidelines

Email

Best practice →

☑ **DO**

Staff and students/pupils should only use their school email account to communicate with each other

Safe practice →

⚠

Check the school e-safety policy regarding use of your school email or the internet for personal use e.g. shopping

Poor practice →

☒ **DO NOT**

Staff: don't use your personal email account to communicate with students/pupils and their families without a manager's knowledge or permission – and in accordance with the e-safety policy.

Images, photos and videos

Best practice

☑ **DO**

Only use school equipment for taking pictures and videos.

Ensure parental permission is in place.

Safe practice

⚠

Check the e-safety policy for any instances where using personal devices may be allowed.

Always make sure you have the Headteacher/SLT knowledge or permission

Make arrangements for pictures to be downloaded to the school network immediately after the event.

Delete images from the camera/device after downloading.

Poor practice

☒ **DO NOT**

Don't download images from organisation equipment to your own equipment.

Don't use your own equipment without Headteacher/SLT knowledge or permission – and in accordance with the e-safety policy.

Don't retain, copy or distribute images for your personal use.

Internet

Best practice

☑ **DO**

Understand how to search safely online and how to report inappropriate content .

Safe practice

⚠

Staff and students/pupils should be aware that monitoring software will log online activity.

Be aware that keystroke monitoring software does just that. This means that if you are online shopping then your passwords, credit card numbers and security codes will all be visible to the monitoring technicians

Poor practice

☒ **DO NOT**

Remember that accessing or downloading inappropriate or illegal material may result in criminal proceedings

Breach of the e-safety and acceptable use policies may result in confiscation of equipment, closing of accounts and instigation of sanctions.

Mobile phones

Best practice →

☑ **DO**

Staff: If you need to use a mobile phone while on school business (trips etc), the school will should provide equipment for you.

Make sure you know about inbuilt software/ facilities and switch off if appropriate.

Safe practice →

⚠

Check the e-safety policy for any instances where using personal phones may be allowed.

Staff: Make sure you know how to employ safety measures like concealing your number by dialling 141 first

Poor practice →

☒ **DO NOT**

Staff: Don't use your own phone without the Headteacher/SLT knowledge or permission.

Don't retain service student/pupil/parental contact details for your personal use.

Social networking (e.g. Facebook/ Twitter)

Best practice

☑ **DO**

If you have a personal account, regularly check all settings and make sure your security settings are not open access.

Ask family and friends to not post tagged images of you on their open access profiles.

Safe practice

Don't accept people you don't know as friends.

Be aware that belonging to a 'group' can allow access to your profile.

Poor practice

☒ **DO NOT**

Don't have an open access profile that includes inappropriate personal information and images, photos or videos.

Staff:

- Don't accept students/pupils or their parents as friends on your personal profile.

- Don't accept ex-students/pupils users as friends.

- Don't write inappropriate or indiscrete posts about colleagues, students/pupils or their parents.

Webcams

Best practice

☑ **DO**

Make sure you know about inbuilt software/ facilities and switch off when not in use.

Safe practice

⚠

Check the e-safety policy for any instances where using personal devices may be allowed.

Always make sure you have the Headteacher/SLT knowledge or permission

Make arrangements for pictures to be downloaded to the school network immediately after the event.

Delete images from the camera/device after downloading.

Poor practice

☒ **DO NOT**

Don't download images from organisation equipment to your own equipment.

Don't use your own equipment without Headteacher/SLT knowledge or permission – and in accordance with the e-safety policy.

Don't retain, copy or distribute images for your personal use.

Student/pupil Acceptable Use Policy Agreement

Student/Pupil Acceptable Use Policy Agreement
This Acceptable Use Policy is intended to make sure:

- That you will be a responsible user and stay safe while using the internet and other technology for learning and personal use
- That ICT systems and users are protected from accidental or deliberate misuse

The school will try to ensure that you will have good access to ICT to enhance your learning and will, in return, expect you to agree to be a responsible user.

Please make sure you read and understand the following ☑ **I WILL** and ☒ **I WILL NOT** statements. If there's anything you're not sure of, ask your teacher.

☑ I WILL:

- treat my username and password like my toothbrush – I will not share it, or try to use any other person's username and password
- immediately report any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it online
- respect others' work and property and will not access, copy, remove or change any one else's files, without their knowledge and permission
- be polite and responsible when I communicate with others, I will not use strong, aggressive or inappropriate language and I appreciate that others may have different opinions
- only use my personal handheld/external devices (mobile phones/USB devices etc) in school if I have permission
- understand that, if I do use my own devices in school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment
- immediately report any damage or faults involving equipment or software, however this may have happened
- only use chat and social networking sites with permission and at the times that are allowed

☒ I WILL NOT:

- try (unless I have permission) to make downloads or uploads from the Internet
- take or share images (pictures and videos) of anyone without their permission
- use the school ICT systems for online gaming, online gambling, internet shopping, file sharing, or video broadcasting (eg YouTube), unless I have permission of a member of staff to do so.
- try to upload, download or access any materials which are illegal or inappropriate or may cause harm or distress to others
- try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials
- open any attachments to emails, unless I know and trust the person/organisation who sent the email, due to the risk of the attachment containing viruses or other harmful programmes
- attempt to install programmes of any type on a machine, or store programmes on a computer
- try to alter computer settings

Student / Pupil Acceptable Use Agreement Form

This form relates to the student/pupil Acceptable Use Policy (AUP), to which it is attached.

I understand that I am responsible for my actions, both in and out of school:

- I understand that the school also has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community (examples would be cyber-bullying, use of images or personal information)

- I understand that if I fail to follow this Acceptable Use Policy Agreement, I will be subject to disciplinary action. This may include loss of access to the school network/internet, loss of access to all ICT devices with internet access, loss of break times, suspensions, contact with parents and in the event of illegal activities involvement of the police

I have read and understand the above and agree to follow these guidelines when:

- I use the school ICT systems and equipment (both in and out of school)

- I use my own equipment in school (when allowed) eg mobile phones, PDAs, cameras etc

- I use my own equipment out of school in a way that is related to me being a member of this school e.g. communicating with other members of the school, accessing school email, Learning Platform, website etc

 (Parents/carers are requested to sign the permission form below to show your support of the school in this important aspect of the school's work).

Staff, Volunteer and Community User Acceptable Use Policy Agreement

School Policy

This Acceptable Use Policy (AUP) is intended to ensure:

- that staff, volunteers and community users will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.

- that school ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.

- that staff, volunteers and community users are protected from potential risk in their use of ICT in their everyday work.

The school will try to ensure that staff, volunteers and community users will have good access to ICT to enhance their work, to enhance learning opportunities for *students / pupils* learning and will, in return, expect staff, volunteers and community users to agree to be responsible users.

Acceptable Use Policy Agreement

I understand that I must use school ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users. I recognise the value of the use of ICT for enhancing learning and will ensure that students/pupils receive opportunities to gain from the use of ICT. I will, where possible, educate the young people in my care in the safe use of ICT and embed e-safety in my work with young people.

For my professional and personal safety:

- I understand that the school will monitor my use of the ICT systems, email and other digital communications.

- I understand that the rules set out in this agreement also apply to use of school ICT systems (eg laptops, email, VLE etc) out of school.

- I understand that the school ICT systems are primarily intended for educational use and that I will only use the systems for personal or recreational use within the policies and rules set down by the school.

- I will not disclose my username or password to anyone else, nor will I try to use any other person's username and password.

- I will immediately report any illegal, inappropriate or harmful material or incident I become aware of, to the appropriate person.

I will be professional in my communications and actions when using school ICT systems:

- I will not access, copy, remove or otherwise alter any other user's files, without their express permission.

- I will communicate with others in a professional manner, I will not use aggressive or inappropriate language and I appreciate that others may have different opinions.

- I will ensure that when I take and/or publish images of others I will do so with their permission and in accordance with the school's policy on the use of digital/video images. I will not use my personal equipment to record these images, unless I have permission to do so. Where these images are published (eg on the school website / VLE) it will not be possible to identify by name, or other personal information, those who are featured.

- I will only use chat and social networking sites in school in accordance with the school's policies.

- I will only communicate with students/pupils and parents/carers using official school systems. Any such communication will be professional in tone and manner.

- I will not engage in any on-line activity that may compromise my professional responsibilities.

The school and the local authority have the responsibility to provide safe and secure access to technologies and ensure the smooth running of the school:

- When I use my personal hand held/external devices (PDAs/laptops/mobile phones/USB devices etc) in school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment. I will also follow any additional rules in line with the School's E-Safety Policy set by the school about such use. I will ensure that any such devices are protected by up to date anti-virus software and are free from viruses.

- I will not use personal email addresses on the school ICT systems

- I will not open any attachments to emails, unless the source is known and trusted, due to the risk of the attachment containing viruses or other harmful programmes.

- I will ensure that my data is regularly backed up, in accordance with relevant school policies.

- I will not try to upload, download or access any materials which are illegal (child sexual abuse images, criminally racist material, adult pornography covered by the Obscene Publications Act) or inappropriate or may cause harm or distress to others. I will not try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials.

- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.

- I will not install or attempt to install programmes of any type on a machine, or store programmes on a computer, nor will I try to alter computer settings, until I have spoken to the head of ICT or the Technician.

- I will not disable or cause any damage to school equipment, or the equipment belonging to others.

- I will only transport, hold, disclose or share personal information about myself or others, as outlined in the School/Local Authority Personal Data Policy. Where personal data is transferred outside the secure school network, it must be encrypted.

- I understand that data protection policy requires that any staff or student / pupil data to which I have access, will be kept private and confidential, except when it is deemed necessary that I am required by law or by school policy to disclose such information to an appropriate authority.

- I will immediately report any damage or faults involving equipment or software, however this may have happened.

When using the internet in my professional capacity or for school sanctioned personal use:

- I will ensure that I have permission to use the original work of others in my own work.

- Where work is protected by copyright, I will not download or distribute copies (including music and videos).

Staff, Volunteer and Community User Acceptable Use Agreement Form

This form relates to the student/pupil Acceptable Use Policy (AUP), to which it is attached.

I understand that I am responsible for my actions in and out of school:

- I understand that this Acceptable Use Policy applies not only to my work and use of school ICT equipment in school, but also applies to my use of school ICT

systems and equipment out of school and my use of personal equipment in school or in situations related to my employment by the school.

• I understand that if I fail to comply with this Acceptable Use Policy Agreement, I could be subject to disciplinary action. This could include a warning, a suspension, referral to Governors and/or the Local Authority and in the event of illegal activities the involvement of the police

- **I have read and understood the School's E-safety Policy**

I have read and understand the above and agree to use the school ICT systems (both in and out of school) and my own devices (in school and when carrying out communications related to the school) within these guidelines.

Appendix 3 – Use of Images Consent Form

Use of Digital / Video Images

The use of digital/video images plays an important part in learning activities. Students/Pupils and members of staff may be using digital or video cameras to record evidence of activities in lessons and out of school. These images may then be used in presentations in subsequent lessons.

Images may also be used to celebrate success through their publication in newsletters, on the school website and occasionally in the public media,
The school will comply with the Data Protection Act and request parents / carers permission before taking images of members of the school. We will also ensure that when images are published that the young people cannot be identified by the use of their names.

Parents are requested to sign the permission form below to allow the school to take and use images of their children.

Permission Form

Parent / Carers Name	
Student / Pupil Name	

As the parent / carer of the above student / pupil, I agree to the school taking and using digital / video images of my child / children. I understand that the images will only be used to support learning activities or in publicity that reasonably celebrates success and promotes the work of the school.

I agree that if I take digital or video images at, or of, school events which include images of children, other than my own, I will abide by these guidelines in my use of these images.
